The City of Leavenworth has partnered with ParkMobile to make finding a parking spot and paying for hourly or daily parking easier! With the app, you'll be able to see what parking stalls are available, and pay for your parking – all from your mobile phone!

Use [THIS LINK](#) to download the parking app for downtown Leavenworth!

Street parking in this area is limited to a three-hour maximum and license plate restricted. This means you can pay for up to three hours using your license plate but cannot extend time without moving to a different zone. Off-street lots offer both hourly and all-day parking options, including an early bird rate available until 9 AM daily.
